

NEW Research Shows Patients "MUST HAVE" MUCINEX®

Based on results from the
Mucinex User Survey To
assess **HABits** and **ValuEs**¹

- Data from a survey of 791 patients given MUCINEX by their physician
- Included information from 87 physicians who reported patients' diagnoses and reasons for using guaifenesin
- Research was open-label, non placebo-controlled, and multicenter in design

Patients Report High Satisfaction With MUCINEX

>90%

of patients were
pleased with MUCINEX¹

Mucinex®
